

The Next-Generation 2023 Ford Everest[®]

Ford

All-new and ready for action.

The all-new Next-Gen 2023 Ford Everest[®] SUV more than earns its impressive name. It's built tough and can take you and your crew of adventure seekers far from the beaten path. With a newly designed exterior firmly planted at its corners, and new soft-touch finishes inside the sophisticated interior, it's time to aim higher with the Everest SUV.

Everest Limited

Limited brings an exclusive level of sophistication, luxury and intelligence to overlanding mastery. Built because we can, Everest Limited is king of the road.

Everest XLT

With Next-Gen capability and technology, Everest XLT is ready to embrace anything thrown its way. Ruggedly stylish, smart and safe, Everest XLT is yours for fun and adventure.

Everest XLS

Accent-color grille, trim and wheels are matched with an athletic Ebony interior, for a dominant signature effect. Everest XLS is ready to take on your adventures.

Power up and go.

The Next-Gen Ford Everest SUV features a choice of premium engines that deliver power and torque for towing, hauling and off-roading. It also comes with a standard 6-speed automatic or an available 10-speed automatic.

Ultimate towing experience

3,500-kg max. towing capacity¹ is just the start. Next-Gen Everest is loaded with features and tech to help make towing easier and safer.

1. Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers.

Selectable Drive Modes. Everest gives you command of up to 6 available on- and off-road drive modes to help master almost every terrain: Normal, Eco, Tow/Haul, Slippery, Mud/Ruts, Sand.

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment.

Wireless Connection

Connect to **Apple CarPlay^{®1,2}** or **Android Auto^{™2,3}** without a cable in sight. This cordless connection makes life easy and uncluttered.

Screen display varies by market.

SYNC 4.

An in-vehicle communication and entertainment system with a host of features, made easier by the system showing your last 5 actions, wireless smartphone integration, and a 10.1" or available 12" touchscreen.

Wireless charging pad.

Avoid the hassle of having to plug in your phone. Simply place it on the available wireless charging pad⁵ and you're good to go.

Wireless Charging Pad

Ford Everest SUV seats up to 7. Space for family comfort.

Everyone should be comfortable, no matter where they are sitting. Next-Gen Everest is more spacious than ever, with every passenger getting more room. On the Limited model, the dual-panel sunroof adds to the sense of openness and adventure.

Ford Everest offers an available hands-free, foot-activated liftgate.

Hands full? Open the liftgate just by kicking your foot under the sensor. Available on the Ford Everest Limited only, this is wider for easier loading, opens and closes faster, and is designed to fully operate even with a conventional trailer attached.

A sense of confidence.

The Next-Gen Ford Everest[®] SUV lets you experience a whole new world of connectivity, with available wireless charging, wireless connection and the SYNC[®] 4⁴ infotainment system.

1. Apple CarPlay and its functions are products of Apple[®] and its terms and privacy statements apply. Requires compatible iPhone[®] and data plan. All features supported in Sub-Saharan African countries are available. 2. Requires phone with active data service and compatible software. SYNC 4 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. Functionality varies by market. 3. Android Auto and its functions are products of Google[™] and its terms and privacy statements apply. Requires compatible Android[™] smartphone with Android Auto app on Google Play[™] and data plan. All features supported in Sub-Saharan African countries are available. 4. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 5. Available Qi wireless charging may not be compatible with all mobile phones.
